SHA 603-102 The Roof of the World: Lhasa, Tibet Field Program Participants:

THE INTERNATIONAL FIELD PROGRAMS OFFICE REQUIRES COLORED, SCANNED COPIES OF YOUR CHINESE VISA AND PASSPORT INFORMATION PAGE

These scans are required to procure a Tibetan Travel Permit. The tourism office has strict scanning guidelines. All scans need to:

- Show both sides of the passport open to the information page and the visa page (not just the page with the information, but both pages)
- Show the ENTIRE passport (show the edges of the passport, leaving white space on all four sides)

See examples below:

NO - This is only half of the passport scan. Open your passport and scan both the information page AND the page across from it.
